

# Summer Student Lead Program

Summer 2017

---

# General Structure

Director of Student Lead Team - *Victor Maynard*

Director of Student Ministries - *Michael Chinchilia*

The *Summer Student Lead Program* exists to provide leadership, ministry training and character development for grade 10-12 students. It will run for two months (July - August) with an 18 hour/week commitment. Students will be positioned in a role within a ministry department, as well as participating in a variety of classes. The program is broken down into *Character, Ministry and Theology*.

---

## Character

Students will engage with a chosen mentor approved by their director. They will need to meet with their mentor and run through the "mentorship questions" on a weekly basis. The goal is to build an environment of trust and openness to dialogue about the deeper struggles of life. Students will also need to participate in their daily devotional plan, journaling from the assigned passage. At the end of each week students will share their favourite devotional experience or findings in class called *Two Minutes*. As well, Students will participate in a devotional teaching each morning by the Interns Director and Student Ministry Director.

---

## Ministry

Students will mainly be engaged in serving in different ministry departments under the supervision of ministry leads. They will be involved in a variety of responsibilities, which provides each student with in-depth ministry training. Each week students will commit 12 hours to serving in their departments, as well as their commitment to Sunday and midweek services.

---

## Theology

In developing a student's ability to lead, it is essential to provide a well rounded understanding of basic theology. The *Summer Student Lead Program* will provide three introductory courses. Each course will specialize in meeting the needs of a well equipped leader; *The Bible, The Leader* and *The Disciple*.

---

## Ministry Placement

Department	Oversight	No. of Students	Potential Responsibilities
Production	Isaac Wiebe	3	Church in the Park, Golf Tournament, Kids Camp, etc.
Youth	Michael Chinchilla	3	Youth Camp, Summer Event, Team Development, etc.
Kids	Zach Yaciw	3	Kids Camp, Administration, etc.
Worship	Seth Leighton	1-2	Kids Worship, Youth Camp, etc.

---

## Classes

### **The Disciple**

Resources: *Visual Theology, Tim Challies and Josh Byers*

This class provides an understanding of what it means to grow close to Christ, to become like Christ and to ultimately live for Christ. This is the call to every disciple of Jesus.

### **The Leader**

Resources: *Tribes, Seth Godin*

This class tackles the principles of Christian leadership. Students will be challenged with a variety of leadership case studies and equipped with applicable skills for ministry and life.

### **The Bible**

Resources: *ESV Bible*

Students will explore as a reader how to engage Scripture. This class provides tools to approach the Bible with confidence and understanding. This will include looking at overarching themes, understanding genre and applying theological principals.
